April Move-In!

Welcome to Luminescence at Liberty, where a stunning new construction home awaits! This neighborhood is designed for active adults aged 55 and above and residents can enjoy resort style living with access to Social and Fitness Amenities at Club Liberty. Step into the allure of this beautiful duet home featuring a captivating Spanish Exterior. The thoughtfully designed single story floorplan incorporates a spacious kitchen with an island overlooking the dining area. Kitchen highlights include French Walnut soft-close cabinets, quartz countertops, full tile backsplash and LG Stainless Appliances. These appliances include 5-burner gas range with a hood, built-in microwave, dishwasher, and a side-by-side refrigerator. The owner's suite is a retreat, features carpet with upgraded padding that feel soft on your feet and is complete with an adjoining private bath and a walk-in closet. Additional features include a Courtyard patio, LG Washer and Dryer, and solar is included with purchase. Photos show both the model home and the interior of the home on homesite 301. Home is under construction and model home photos are for representational purposes only.
